Brother 2 Brother and Circle of Trust recognized 68 members for academic achievement.

Jonesboro, Arkansas, January 13, 2010 – Brother 2 Brother and Circle of Trust members at Arkansas State University were honored last night at a combined Welcome Back Reception. Sixty-eight members qualified as Academic Achievers based on achieving a grade point average of 3.0 or above for the 2009 fall semester. Eleven of those students earned a 4.0 grade point average.

Brother 2 Brother provides an avenue to increase retention and graduation rates of African-American male students by creating a nurturing environment, promoting campus connectedness, providing academic support, developing character, and encouraging community service.

Circle of Trust provides an avenue for retaining and graduating African-American female students by establishing a sense of togetherness, setting expectations, and encouraging perseverance.

We are looking for mentors to encourage and motivate our students. If you are interested, please feel free to contact me.
